# Indemnity Form

I am completely aware of any and all risks involved in operating model aircraft. I also understand the possibility of additional risk due to other members operating model aircraft at Vildebeest. I hereby indemnify the owner(s) of the property and their agents from any and all claims, notions, costs, damages, liabilities and lawyers' fees arising out of, connected with or resulting from practicing the hobby or sport, use of equipment and facilities in any way. I undertake to always abide by the safety rules, guidelines and suggestions presented to me by Vildebeest and the South African Model Aircraft Association (SAMAA). I also understand that these rules and guidelines may be adjusted and changed without prior notice. Right of admission reserved.
